

Restriction of Advertising Devices

On the Primary highways outside of unincorporated cities, no advertising may be located closer than 300 feet from the intersection of any at any primary highway at grade with another highway, or with a railroad; provided that advertising may be affixed to or located adjacent to a building at such intersection in such a manner as not cause any greater obstruction of vision than the building itself.

Note: Restrictive area below applies to railroads and "T" intersections.

Minnesota Statute, Section 173.6 Subdivision. 4 (e).

EXCEPTION: Devices may be attached to or adjacent to a building within these limits but in such a manner as to cause no greater visual obstruction than the building itself.
